

DreamStation Go Auto Travel CPAP Machine by Philips Respironics

Always on the Go? Traveling off the Power Grid? Then the DreamStation Go is for you! Philips Respironics introduces the latest addition to the Dream family with the DreamStation Go Auto Travel CPAP Machine. The DreamStation Go is the lightest, smallest travel machine on the market today, making it the most popular CPAP Machine for people that love to travel.

Using the (Optional Battery) with your DreamStation Go, gives you the freedom to go anywhere! Great for camping, hotels, or having a back up when the power goes out. Battery run times will vary due to higher CPAP pressure settings, excessive mask leakage, altitude, temperature, charging devices with the USB port, and other variables.
